Additional Lyrics

2. My mama never really said much to me,
She was much too young and scared ta be.
Hell, "Freud" might say that's what I need,
But all I really ever get is greed.
An most my friends, they feel the same.
Hell, we don't even have ourselves to blame.
But times are hard and thrills are cheaper.
As your arms get shorter, your pockets get deeper.

2nd Chorus:
Right next door to hell.
Why don't you write a letter to me?
I said I'm right next door to hell,
An so many eyes are on me.
Right next door to hell,
I never thought this is where I'd be,
But I'm right next door to hell,
Thinkin' time'll stand still for me. *(To Guitar solo)*
